

# GROW BEYOND LIMITS

# TRADE FRISKY

Global B2B Marketplace Connecting Japanese Suppliers to  
Worldwide Buyers

# COMPANY INTRODUCTION

TradeFrisky is a global B2B marketplace platform designed to connect buyers and verified suppliers on a single trusted network. The company aims to make bulk purchasing, international trade, and supplier–buyer matching easier and more reliable. TradeFrisky operates from Noida, India and focuses on offering

## ***WHAT WE DO***

- Connect global buyers with trusted suppliers
- Enable smooth international trade
- Provide advanced digital sourcing tools
- Support exporters with end-to-end assistance

# Our Value Proposition

## Rigorous Verification

Comprehensive supplier verification processes ensuring product authenticity and business legitimacy. Every supplier undergoes detailed assessment before joining our platform.

## Secure Processes

Transparent trade workflows that significantly reduce risks and eliminate delays. Our secure payment systems and documentation protocols protect both parties throughout the transaction.

## Dedicated Support

Expert assistance for dispute resolution, regulatory compliance, and trade documentation. Our team is available to guide you through every stage of the transaction.

## Smart Technology

Advanced platform leveraging AI-driven matchmaking and real-time communication tools to connect the right buyers with the right suppliers efficiently.

# Buyer Network: Diverse & Growing

## Global High-Intent Buyers

TradeFrisky connects you with serious, genuine B2B buyers from multiple countries who are actively searching for trusted and verified suppliers. These buyers are not casual visitors — they come with real purchase intentions, clear requirements, and a strong interest in establishing reliable trade connections.

## Industry-Focused Purchase Requirements

Our buyer network covers a wide range of industries such as manufacturing, electronics, textiles, food products, home appliances, and machinery. Buyers submit well-defined, category-specific inquiries, which helps suppliers understand exactly what the customer needs — making communication faster, clearer, and more productive

## Bulk & Repeat Order Potential

Most buyers on TradeFrisky are businesses looking for bulk quantities, consistent supply, and long-term partnerships. This creates stronger opportunities for suppliers to secure repeat orders, higher value deals, and stable business relationships over time.

# SUPPLIER SERVICES

We provide complete support to help suppliers grow internationally.

## Our Key Services

- Product listing & catalog creation
- Dedicated export support
- Verified buyer inquiries
- Category-wise lead generation
- Market insights & demand analytics

# TRADE FRISKY WEBSITE TRAFFIC OVERVIEW

Trade Frisky's traffic shows strong and consistent growth, driven by increasing global buyer engagement, rising brand visibility, and expanding supplier activity across key international markets.

## MESSAGE FROM THE CO-FOUNDER

As the world of trade keeps changing, our vision at Trade Frisky is clear — to shape a smarter, more connected, and sustainable future for small and medium-sized businesses.

We're combining technology, responsibility, and people to make sourcing faster, more transparent, and more meaningful. Imagine suppliers using real-time data to connect with buyers instantly, or small businesses reaching global markets through our digital platforms. That's the future we're building.

Our commitment goes beyond business — it's about trust, innovation, and growth for everyone.

**Sahil**

Co-Founder, Trade Frisky

# THANK YOU

We look forward to building  
strong trade partnerships.
